

Posters On CD

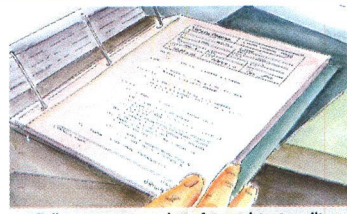

All posters shown below (with available captions to the right) are provided on a CD and may be printed in any size and re-used as often as you like. Your license with purchase permits poster use at one company site and includes printing of the likenesses and captions on promotional items such as mugs and t-shirts. Purchases are made on-line with free domestic shipping through June 2012. Resale of artwork or imprinted items is not permitted. Buy all 12 posters and 56 captions on one CD. Visit our website today.
